About Us

SKSVMACET

Smt. Kamala & Sri Venkappa M. Agadi College of Engineering & Technology (SKSVMACET) was established in 2003 at Lakshmeshwar, Karnataka. The college is affiliated to VTU, Belagavi, and approved by AICTE, New Delhi. It provides quality technical education across various engineering disciplines with modern infrastructure and experienced faculty. The institution actively promotes innovation, research, and holistic student development through diverse technical and professional activities.

FORTUNE Association

Fortune Association is a vibrant community of CSE students dedicated to fostering growth and learning. We encourage students to participate in both technical and non-technical events, helping them enhance their skills beyond academics. Through workshops, competitions, and interactive sessions.

CODEFIESTA 6.0

CODEFIESTA 6.0 – National Level 24 Hours Hackathon 2026 is a premier technical event organized by the Department of Computer Science & Engineering, SKSVMACET, Lakshmeshwar, scheduled on 13th & 14th March 2026. This 24-hour national-level hackathon provides an exciting platform for students to showcase their innovation and creativity.

1. Eligibility

Open to students pursuing B.E., B.Tech, BCA, MCA, and Diploma programs.

2. Registration

- **Each team must consist of 2–4 members.**
- **Teams must register through the official CodeFiesta 6.0 registration form only.**
- **The registration fee is Rs. 2000/- per team.**
- **Teams may be interdepartmental and inter-semester, but all members must be from the same college.**
- **Each participant can be a member of only one team.**

3. Judging Criteria

Projects will be evaluated based on:

- **Innovation & Creativity**
- **Technical Implementation**
- **Functionality & Feasibility**
- **Impact & Relevance**
- **Presentation & Demonstration**

Note: The competition will consist of three rounds of evaluation.
The decision of the judging panel shall be final and binding.
The registration amount is non refundable if participants not attend the event.

4. Facilities & Logistics

- Participants will be provided accommodation at the venue.
- Wi-Fi and power will be available throughout the event.
- Participant's will bring their own net pack for backup
- Participants must bring their own laptops, chargers, and any other required peripherals. No additional devices will be provided.
